STAT

Memo by [] to Chief, Plans Staff, OCS, S.

Attached a chronological history of regulatory and staff correspondence through which the responsibilities and authority of CIA centralized ADP control and reporting had come to OCS; listed BOB directives on the subject;

said that Becker currently Chief, ^{OCS}~~CSC~~, and Ch/ADP Committee and by regulations issued held responsibility for all ADP functions transferred or assigned from MS/BMS through the ADP Staff to OCS.

Most of notices were out of date; therefore he recommended that in order to meet BOB requirements that

- 1) OCS be named the Centralized CIA ADP authority required by BOB Circular A-61, and
- 2) OCS be made responsible for preparation and/or review of all reports and documents required by BOB Bulletins and Circulars 60-6, A-54, and A-55.
